

SPENCER (w/Jaxon/Hank)

EXT. PRACTICE FIELD - DAY

Jaxon is at the field exercising. He is doing sit ups when two sets of shoes show up in front of him.

SPENCER

Hey, Jax.

Jaxon gets up and brushes himself off and smiles.

JAXON

Hey guys.

He shakes their hands.

SPENCER

We heard you've been over here a lot.

JAXON

Pretty much every day.

SPENCER

For what?

JAXON

I miss the game. I haven't really known what to do with myself.

SPENCER

So what are you doing with yourself?

JAXON

Sounds crazy but I'm conditioning my right arm.

SPENCER

To pitch?

Jaxon nods yes.

HANK

Doesn't sound like a solid plan, Bro.

SPENCER

Skip said if you're healthy he'd love to have you back with the guys.

JAXON

I'm not ready yet, but when I am, I hope they'll take me back.

SPENCER

Well good luck, Jax. We're going downtown for some brewskies. Wanna come?

JAXON

I don't drink, guys.

SPENCER

We'll see ya around.
